

## Summer Design Internship

### About

Marcus Gleysteen Architects is a nationally recognized residential firm headquartered in Deep River, CT. We run our small office as a collaborative studio – we enjoy open design discussions and knowledge sharing. Known for attention to detail and craftsmanship, our work reflects a sincere dedication and love for what we do. We are currently seeking a highly talented and driven Summer Design Intern to join our team.

### Qualifications

- Currently enrolled/recently graduated from an accredited M.Arch program or a minimum of three years in a B.Arch program (or equivalent)
- Keen interest in custom residential architecture
- Proficient in AutoCAD, SketchUp and Adobe Creative Suite
- Demonstrated design and visualization ability
- Prior architectural office experience strongly preferred
- Legal authorization to work in the US without restriction or sponsorship

### Responsibilities

- Drafting and 3D modeling
- Project research
- Production of presentation and marketing materials
- Participation in design discussions and reviews
- Assistance with site documentation and occasional site visits
- General office support

### Details

Available in-office in Deep River, CT, or fully remote

Approximately 10–12 weeks, beginning in late May or June 2026

Compensated; rate is commensurate with experience

### To Apply

Please email a resume and work sample in a single PDF to [hr@mgaarchitects.com](mailto:hr@mgaarchitects.com) with subject: “Summer Internship Application – [Your Name].” Only candidates who meet the minimum qualifications listed above will be considered. No phone calls please.
